

## Brighten Up

*Add streaks of blonde to your hair color! Try this easy technique.*

### Mix:

- 1 oz. One 'n Only™ Powder Lightener
- 2 oz. One 'n Only™ Argan Oil 10, 20, 30 or 40 volume Cream Developer depending on desired lift. Mix in a non-metallic bowl until desired consistency is achieved.

### Technique

- Begin by selecting a small group of hair (20 strands) at the back of the crown.
- Apply the lightener freehand all the way down the strand with a hair color brush. Lay the hair down gently.
- Continue moving around the head and randomly select pieces you want to lighten.
- Process for 45 minutes.
- Rinse, shampoo and condition with Color Oasis Shampoo and Conditioner.
- Towel-dry.

### Glaze it!

- Apply the One 'n Only™ Demi-Permanent color to seal in and make your color shine!
- Mix:
  - 1 oz. 10A Demi
  - 2 oz. Activating Lotion
- Apply the color all over using a shampoo-in method.
- Process up to 10 minutes.
- Rinse, shampoo and condition.
