## DREAM HOUSE PINK

Drench your hair with One 'n Only™  
Perfect Intensity™ hair colors in  
Chrome and Hot Pink to add some fun.

### Step 1

- Select the areas where pre-lightening is necessary to achieve the desired look.
- Pre-lighten hair with One 'n Only™ Argan Oil Powder Lightener mixed with One 'n Only™ Argan Oil 20 volume Developer. Keep off the scalp.
- Process until desired lift is achieved. Refer to One 'n Only™ Perfect Intensity™ color chart for more information.
- Rinse, shampoo and dry hair completely.

### Step 2

- Mix One 'n Only™ Perfect Intensity™ Hot Pink hair color in bowl 1.
- Mix Perfect Intensity™ Chrome hair color in bowl 2.
- Begin applying Perfect Intensity™ Chrome hair color down the hair shaft. Blend in the Hot Pink hair color toward the ends using a freehand method, painting it on until the two colors blend.
- Process up to 30 minutes.
- Rinse carefully. Ensure the two colors don't mix.
- Condition and style hair.
