ARGAN
OIL

PINK LEMONADE

Drench your hair with Perfect Intensity™ Pink to add some fun during the summer season

Step 1

- Select the areas where pre-lightening is necessary to achieve the desired look
- Pre-lighten with One `n Only™ Argan Oil Powder Lightener mixed with 20 volume
- Process until desired lift is achieved.

Refer to Perfect Intensity chart for more information

- Rinse, shampoo and dry hair completely

Step 2

- Mix Perfect Intensity Pink in a bowl
- Begin applying Perfect Intensity Pink to the hair closest to the scalp and work color down the strand
- Process up to 30 minutes
- Rinse carefully with pressure water
- Condition and style hair

For deeper pink results, select Hot Pink
For lighter pink results, select Bubblegum
